If the Company discovers, before or during the performance of the Services, problems at the Customer's place of business which materially affect the Company's ability to perform the Services in accordance with the Company's standards at the price quoted, it shall be free to vary the price. Without limitation, any additional costs caused by any delay in the performance of the Services, or any suspension of performance, at the Customer's place of business (for reasons beyond the control of the Company) e.g industrial action, shall be treated as a variation to the Customer's original order and the Customer shall be liable for any such additional costs.

Any Test Product shall be handled by the Company at the Customer's own risk and, without limitation, the Company shall not be liable to the Customer for any damage to any Test Product which occurs during any Test Procedure.
- 4.16 The Customer shall be solely responsible for any design, development and trial costs with respect to any test rig developed for the Customer for use in any Test Procedure. Without limitation, the Customer shall also be solely responsible for the cost of any test rig which the Company may, in the Company's sole discretion, deem to be required for use in any Test Procedure.

- 4.17 Where a Test Product consists of a sample of certain goods, Attainment with respect to that sample shall not imply Attainment with respect to any other quantity of those goods.

6.8 Where the Company is unable to determine whether any Goods are the goods in respect of which the Customer's right to possession has terminated, the Customer shall be deemed to have sold all goods of the kind sold by the Company to the Customer in the order in which they were invoiced to the Customer.

6.9 On termination of the Contract, howsoever caused, the Company's (but not the Customer's) rights contained in this Condition 6 shall remain in effect.
